

LYST PARENTS STEERING COMMITTEE MEETING MINUTES
TUESDAY, OCTOBER 30, 2007

Attendees: Mary Wingett, Lori Parrish, Suzanne Young, Jenny DePietro, Melissa Horton, Janet Householder, Theresa Hoyt, Stacy McQueary, Norah Ginty, Cindy Noble, Jim DePietro, and Beth Daugherty.

Discussion:

~ Theresa Hoyt proposed the idea of waiving the booster and concession fees for independent high school swimmers, who are not members of the Lancaster YMCA swim team. These swimmers would not participate in any LYST events or swim at Championships. Theresa Hoyt motioned, Norah Ginty seconded, motion carried. Theresa will advise any schools that may have interested swimmers.

~ Discussion occurred regarding many families who have not paid-to-date the booster, concession and/or the Invitational assessment fees. It was agreed to send out email reminders and present letters to families. It will be recommended for families to have these fees paid by the Invitational. In the future, the LYST handbook will need to be updated with the appropriate language requiring these fees to be paid at registration time only.

~ Coach Heather requested team t-shirts and polo shirts for the coaches. Melissa Horton motioned, Jenny DePietro seconded, motion carried. Suzanne Young will coordinate sizes with the coaches and place the order.

~ LYST team pictures dates were reviewed. It was agreed to offer pictures on a Sunday afternoon in lieu of practice. The date will be Sunday, November 18th with individual pictures at 1:00 pm and team pictures at 2:00 pm. Dave Saunders is the photographer.

Invitational:

~ Roundtable discussion took place and each chairperson indicated they are prepared for the Invitational.

~ Suzanne Young presented possible designs for the Invitational t-shirts and some suggestions were made. It was agreed to order 150 Invitational shirts. Embroidered towels for the high point awards were ordered, the cost is \$18 per towel.

~ Coach Heather provided a list of all LYST swimmers entered for the Invitational, as this will be compared with the volunteers, to insure that all families are participating in the volunteer program.

The next LYST Parents Steering Committee will be held on Tuesday, November 6th at 5:30 pm.
